Friday 8th December 2017

Dear Parents/Carers,

Bike Week at Midsomer Norton Primary School (8th - 12th January 2018)

We will be hosting a Bike Week to encourage everyone to be active and travel to school daily by foot, by bike or scooter. We've planned a whole host of activities to celebrate active travel and the week will end in a Biker and Scooter Breakfast morning.

Please see below for an outline of what will be happening and an idea of how your child can get involved:

- **Bling your Bike on Monday, 8th January**

Decorate your bike in ribbons, coloured paper, flowers, tinfoil, tinsel and anything bright you've got at home. Bring your bike or scooter to school and the most creative will win a prize.

- **Be Bright, Be Seen on Wednesday, 10th January**

What do you need to wear to be seen when walking or riding on a bike or scooter? The children will have a special assembly to think about safety when travelling to school. The children are welcome to wear a brightly coloured t-shirt instead of their usual school top on this day.

- **Biker's Breakfast on Friday, 12th January**

Come to school on Friday by foot, bicycle or scooter and you can enjoy a brioche and hot chocolate for 50p. It's the perfect end to our active Bike Week.

We really want to make this event a fantastic opportunity to get as many children as possible up and active coming to school. We would love to see our parents getting involved and enjoying the week scooting, cycling or walking with their children.

We would like to take this opportunity to thank you for your continued support and we look forward to sharing highlights from the event on Twitter and in the local media.

Yours sincerely,

Mr Randell and the Pastoral Team
